

## Women & Child Development Corporation

### **Notice for Applicants- Vacancy Notice No. 2/2021-22**

It has been brought to our notice through various modes of communication that many applicants have complained that the attachment related to work experience of the candidates have failed to get uploaded or is not been shown in the application format, as a result their shortlisting have not been done. Further, some candidates have also stated that the work experience certificate from the employers were not received in time so it was not uploaded.

Hence, taking a considerate view, all such candidates whose shortlisting have been rejected due to the above reasons are being given a window of one week upto 24/11/2021 for uploading the documents using the link <https://fts.bih.nic.in/WDCRec/Login.aspx> available in the Corporation's website.
