Invitation for submission of Expression of Interest (EoI)

Hiring the services of established business houses in garment manufacturing, marketing sector for establishing/ running garment manufacturing unit in Bihar for establishing training centre, providing skill development training and providing job work to rural women on continuous basis in Bihar.

Introduction

Women Development Corporation, Bihar under the aegis of Department of Social Welfare, Govt. of Bihar has the vision to ensure overall survival, development, protection and participation of women and adolescent girls of the state. The objective is to formulate, promote and implement various schemes aimed at the development of women in Bihar. Key thrust of all programmes being implemented by WDC is primarily around economic and social empowerment through community based institutions and support groups.

Objective of Assignment

In order to achieve these objectives, Women Development Corporation has envisioned contributing to economic development of women in the state through entrepreneurship promotion and enhancing employment opportunities for them in state of Bihar. The proposed project aims to utilize the potential of apparel sector for creating employment opportunities for unemployed women of Bihar by setting up training cum production unit. The centre will provide skill development training to women and also provide them opportunity of continuous working thereby increasing income opportunities for women in the state. WDC will establish the production cum training centre with all modern infra & machineries.

To fulfill the above envisaged tasks, it is proposed to collaborate with a business house in garment manufacturing sector / garment export and marketing sector to

- (i) Assist in establishment of garment manufacturing unit in Bihar
- (ii) Assist in establishment of training centre for garment manufacturing
- (iii) Provide skill development training
- (iv) Provide job work to skilled women on continuous basis
- (v) Manage all operations related to production and marketing

W

- (vi) Market the products produced in the unit
